Dear Parent(s) / Guardian(s)

Sunbury Downs College is looking forward to another great year of teaching and learning and would like to advise you of Sunbury Downs College's voluntary financial contributions for 2026.

Sunbury Downs College provides students with free instruction and tuition to deliver the teaching and learning program of the Victorian Curriculum (Years 7-10) and VCE/ Vocational Major (VM) (Years 11-12) and we want to assure you that all contributions are voluntary. The ongoing support of our families through generous voluntary contributions ensures that our school is able to provide the best possible teaching and learning resources and wellbeing support for our students. We want to thank you for your support. This makes a significant difference to our school and the programs we can offer.

Your support has contributed to resourcing improvements with buildings and ground projects such as:

- New furniture throughout the college
- Continual upgrades to projectors and ICT equipment
- Upgrades to basketball/netball courts
- Upgrades to student bathrooms
- Ongoing painting program across the college
- Locker replacement program
- Ongoing upgrades to heating and cooling
- Breakfast program
- Increased capacity within our Student Services Team
- Garden and courtyard upgrades

We would like to encourage families who are using the payment plan system to continue to do so and if you are experiencing any difficulties please contact Wendy Tingley, Finance Officer on 9744 0500.

Once again, thank you for your ongoing support of the College.

Yours sincerely

Warwick Beynon
Principal
